

Friendship Force Board Meeting May 10, 2021

President Barefield began the meeting at 10:01 inviting each attendee to share personal updates. All members were present except Karla who had a conflict.

Minutes of the April meeting were approved without change and then the Treasurer's report was approved through a motion by Ray and seconded by Mary. Laura had said that a new member, Netanya Williams paid \$25. The FFI fee was paid for the new member.

Charles reported on the Santiago possible journey advising the need for help in finding a translator. And Ann said that she would help through her connection with the Hispanic League. Charles said he would further clarify with FFI the plans surrounding pandemic issues of vaccines and masks. There were only two of the 7 present who seemed willing to travel in 2022, making any journeys in 2022 somewhat tentative. We might well ask members in our next newsletter.

Ann asked us to remind our members of the fund-raising of FFI which is in current process. That could also be mentioned in the next letter to members.

Ann asked to consider the next nominating committee for the board of 2022. Ann, Mary, and Laura have decided to retire from the board at the end of the current year. Others present agreed to continue. Karla has not been asked as yet.

No further business being introduced, the meeting was adjourned about 11:08 a.m.

With respect,
