Subject: FRIENDSHHIP FORCE OF CNC BOARD MEETING MARCH 15, 2022

President Ray opened the meeting at 10:30 with a welcome to all and asked Judy Greene to report on the status of the in-coming Northern Colorado FF club visiting April 20-25, arriving at 6:45, Greensboro airport. She outlined the currently planned events advising of some open tickets available for the production of "Hamilton" at the Tanger Center.

Through Ray, Martha Brown reported upon the Outbound journey to Cincinnati with Charles' additional information. There are hosts available for some additional Ambassadors who might be prospective members. There are currently 7 confirmed. Funds for the journey were approved and shall be sent to Martha.

Charles, board journeys coordinator, spoke about future journeys, including that of Lincoln, Nebraska, June 19-30, 2022 and September 17-24th Mary's, Ontario, Canada . Further information will be presented after final planning .

Social events were outlined by Lucy, advising about the options being considered by her committee, Virginia farm outing and Ray and Judy's visit there to further solidify the plans.

The Treasurer's was presented by Laura and was approved, as was the minutes of the prior meeting.

Mary, speaking about the membership, said that there were three new members of the Winston Salem Women's Club who had joined and presented options of two name tags. It seemed that the option with the larger print of "North Carolina" was preferred. Further comments were about the club brochure which Ray said he was now able to produce. A donation to FFI in memory of club founding member who had recently died (Donna Lambeth) was approved (\$100.). Legacy status was approved for Carol Andresen.

Jane Cauthen and Eleanor Stoller spoke about a planned presentation for "55 Plus" and possibly others, mentioning that including children was to be mentioned. This effort was in collaboration with Lucy. Ray mentioned that he, Judy and Woody had done recent presentations at the Twin City Kiwanis Club and the WS Woman's Club (of which Woody was not a member.) A possible listing with speakers Bureaus of Triad cities could be explored.

Ralph Cauthen shared an idea of having a members Zoom meeting with speakers and Lucy supported it. Mary thought it could be that we could use both, such as Zoom for members at large and in person for Board meetings. Our April 11th meeting will be again on Zoom and May 9th in person 10 am at Piedmont Triad Regional Council building in Kernersville.

Ray invited further comments. There being none, he adjourned the meeting.

Respectably (?) Woody
